TMTA Convention – June 14-16

Waco Convention Center, Waco, TX

♪ Conference Ensemble Q&A ♪

What's this event?

Sometimes known as a “monster concert,” this is an exciting large concert of multi-piano ensembles at the TMTA State conference. Imagine a piano duet piece being played/multiplied on 5, 8, or 15 pianos! 🎹 🎹 🎹 🎹 🎹 🎹 🎹 🎹 🎹

What's the catch?

For pianists, we don't have as many large ensemble opportunities like being in orchestras & choirs. So, it's a great chance to interact with peers, and also perform for the audience from all over Texas!

What's the eligibility?

Students must pass the TMTA Theory Test with a score of 70 or higher. No more than 2 rehearsals may be missed.

Do we need to be in Waco for 3 days?

No! The dress rehearsals & the performance should be on the same day, but we don't know the exact schedule until April. However, we highly recommend you to check out the conference, since there are wonderful sessions and the students' fees are already covered.

What's the fee?

\$35 for the registration, which also covers the performer's conference registration.

What do we need to do?

Apply, audition, come to monthly rehearsals, perform at the TMTA conference, and have fun!
